

# Taiwan

## Travel Field Planner

Food, cultural heritage, northern coastline, Hsinchu stories and eastern-island travel. Build a realistic plan from the original ExploreTraveler archive.

---

### Start with a real story. Make the journey your own.

Choose a region as your base, follow ExploreTraveler articles and official videos, check current logistics, and record a flexible plan you can use offline.

#### Choose a starting area

Taipei and northern coast | Hsinchu and everyday food | Kaohsiung cultural stories | Taitung and Green Island

#### Your four-step planning workflow

- 01 Choose two or three interests from the archive.
- 02 Read the original articles and watch the official videos.
- 03 Verify entry rules, weather, transport, prices and access.
- 04 Record your route, budget, backup plan and questions.

#### Editorial distinction

This guide is based on previously published ExploreTraveler articles and video descriptions. It is not a new visit, a complete video transcript, or a promise of current conditions. Some source material is historical.

# Look closer at Taiwan

Connect culture, food and everyday places. Start with a story that interests you and leave enough time to experience the place.

## 01 / CHOOSE

Pick one base and two experiences.

## 02 / VERIFY

Check access, transport and current costs.

## 03 / SAVE

Keep your route and a backup offline.

## Make it your own

Choose one cultural stop and one food interest. What route keeps the day realistic, with time to pause?

## Your trip shortlist

Choose one base and add nearby experiences. Do not combine distant regions into a single sightseeing day. Allow time for transfers, meals, weather and rest.

### Trip snapshot

|                                    |       |
|------------------------------------|-------|
| Travel dates / season              | _____ |
| Travelers / accessibility needs    | _____ |
| Main city or region / lodging base | _____ |
| Other areas for a later leg        | _____ |

### Choose up to three themes

- ☐ Food and local markets
- ☐ Coastal scenery
- ☐ Indigenous cultural context
- ☐ Island and nature travel

### Three flexible days

|                                                 |       |
|-------------------------------------------------|-------|
| Day 1: one nearby food or culture stop          | _____ |
| Day 2: history, nature or a video-inspired stop | _____ |
| Day 3: optional rest or weather backup          | _____ |

### What I need to verify before booking

|                                      |       |
|--------------------------------------|-------|
| Operator / venue / transport contact | _____ |
| Access, cost and schedule checked on | _____ |

## Costs, contingencies and notes

Use your own real quotes and the date checked. Do not treat historic video prices as today's prices.

### Quick budget worksheet

|                                     |       |
|-------------------------------------|-------|
| Flights and long-distance transport | _____ |
| Lodging and taxes                   | _____ |
| Food and local transport            | _____ |
| Activities / equipment / insurance  | _____ |
| Emergency reserve kept separately   | _____ |

### Taiwan: important checks

- ☐ Check train and bus schedules and transfer times.
- ☐ Check typhoon, earthquake and coastal alerts.
- ☐ For Green Island, verify marine weather and transport.
- ☐ Ask about ingredients directly with vendors.

### Notes to take on the journey

|                             |       |
|-----------------------------|-------|
| Place / experience / date   | _____ |
| What we ate, saw or learned | _____ |
| What we would research next | _____ |
